- Releasing negative emotions quickly and easily
- Removing limiting decisions that stop you creating the future you want
- Creating a compelling future

be the difference that makes the difference!

How is it possible for me to learn so much in just 12 days?

You will do approximately 50 hours of easy personal study before attending the training. This takes the form of listening to our audio product and reading books. During the training you will be putting what you have learnt into practice and learning new distinctions.

Our certificates are fully approved and recognized

Our NLP certificates are recognized by the American Board of NLP. This means that no matter where you go in the world, your certificates will be recognized by the appropriate NLP associations. Our certificates are also recognized by the ANLP (British association) and offer credits towards an MA in NLP & Coaching with a leading UK university.

What others say:

"For me coming through this training was like cleaning my glasses or putting them on in the morning..... Suddenly things have become clearer, brighter and more interesting and I can't wait to use these tools & techniques more & more to create an even more fulfilling life for myself & for those around me."

"Thank you for pushing, for encouraging, for helping & guiding. I am a coach. And I knew it before I did my breakthrough. That course has gifted me so much I am still walking on clouds. It's nice up here."

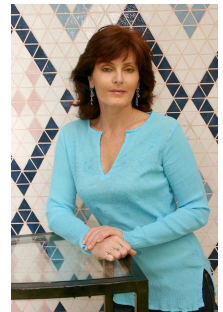

"NLP is a journey... and it just gets better and better and better! Another mega impactful experience plus lots of WOW's along the way... and a toolbox of techniques. What more could you wish for?"

"This course is comprehensive, challenging and professional; whilst at the same time really FUN."

"I really enjoyed the course. It did change my life so I thank you for that. I have struggled with my purpose in life for years and now it all seems so clear. It is amazing how something so simple can be so life changing. People study for years and don't get as much direction as this 12 day course provides. Thank You."

Who is the trainer?

Carol Talbot is an enthusiastic, energetic and versatile learning and development consultant. She is a certified NLP Trainer (ABNLP) and Master Coach, Trainer of Hypnosis and Master Trainer Time Line Therapy®, as well as an Accredited & Recognized ANLP Trainer. Having trained with some of the best presenters in the UK & US, Carol has shared these tools and techniques in Europe, Africa and the Middle East. Her first book, Hitting the Wall...and breaking through, went straight into top 10 selling self-help books on amazon. Her seminars and workshops are informal, creating a fun and relaxed environment, yet sharply focused, developing delegates' long-term strategies for personal development and growth.

So what if you attend the NLP MASTER Practitioner Program?

An NLP Master Practitioner is someone who has learned to use the attitudes, principles and techniques of NLP as they are intended to be used, for themselves and with others. Many NLP Master Practitioners have gone on to change their careers; some have set up their own businesses. All of them say that their lives have become richer, more rewarding and more fulfilling as a result of applying what they have learnt. What would you do with your new skills? Whatever you're thinking of, right now, will seem easy once you have the skills gained from attending the NLP Master Practitioner Certification.
